Booking Tickets

Due to popular demand the Train of Lights is fully ticketed with allocated seating and pre-booking is essential.

You can reserve tickets from this website using the links above. Alternatively, you can book in person at Paignton Station or on the telephone on 01803 555872. Events run on selected dates from 28th November to 30th December. There are no services on Christmas Eve, Christmas Day, Boxing Day, New Years Eve and New Years Day.

If you wish to sit with another party or family, who have booked separately to yourself, please inform us at the time of booking and we will do our utmost to accommodate you all together. We will require booking reference numbers for each party in order to do so.

We can offer a wheelchair specific carriage that means the whole family can sit together in comfort to enjoy these unique experiences (please book a wheelchair space via the telephone or in person at our Paignton station only; online bookings not available). Sorry, only registered disability assistance dogs allowed.

Ramps are provided for wheelchair access onto the Guards van and the designated wheelchair area for each train in service. Dependent on wheelchair size up to 4 wheelchairs can normally be accommodated. Customers should be accompanied by a helper, as train staff are not permitted to assist unaided customers. The limits are as follows: Maximum width 600mm, length 1000mm. Maximum weight of person and wheelchair/mobility scooter 300Kg, turning radius of no more than 1200mm.

Disabled toilet facilities are available at Paignton and Kingswear stations only. Unfortunately, train toilets are unsuitable for disabled use.

Changes to bookings and seat allocations after the time of booking are subject to an administration fee of £10 per change of booking.

Cancellations: We do not issue refunds for cancelled bookings.

However:

- If your booking is cancelled within 24 hours we will endeavour to move it to another day if available.
- If your booking is cancelled after 24 hours has elapsed we will issue gift vouchers to the value of the fee paid; or we will endeavour to move it to another day if available.

All trains depart from Queen's Park Station, Paignton only. The postcode for your SatNav is TQ4 6AF. It is not possible to join or depart the train at Kingswear or at any other intermediate station.

Important notes re tickets:

General

Please stay safe this festive season!

We are sure many of you will be wanting to take some photographs of our amazing Train of Lights but please stay safe and DO NOT trespass on the railway. Any trespassers will be liable for a £1,000 fine.

No platform tickets are available but the best locations we recommend for you to view and photograph the Train of Lights would be from Goodrington Beach or Broadsands.

NOTE: We have 24hr security both on site and on call 24/7 along the railway, including in Longwood, and any trespassers will be escorted off the railway and dealt with by the police.

Please ensure you arrive at least 30 minutes before your scheduled departure time (allow a little longer if collecting your tickets from the Booking Office).

The Gift Shop will be open and our Head of Steam café will be serving a good selection of food and drink including tea, coffee, (fabulous!) hot chocolate, cakes and snacks. Plenty of toilets are available at Paignton and Kingswear stations (and there are toilets on the train). Trains will depart sharply at their scheduled departure times. Due to the high volume of visitors we are unable to guarantee admittance if you are late for your scheduled departure and we are not able to transfer your ticket/s to a different date/time.

All patrons must have their valid ticket which must be presented to gain entry to the event. Children under 15 years must be accompanied by an adult over 18 years.

If you opted for tickets to be posted to you and they have not arrived 24hrs before your visit, please contact us on 01803 555872.

Visitors consent to photography which may be used for promotional purposes. Please feel free to take photos and share them on our social media channels. We occasionally use photographs taken for promotional purposes. Please talk to a member of staff if you would not like photographs to be used in this way.

Please be sure you have chosen the correct date and time for your trip before booking as we are not able to offer exchanges or refunds once tickets have been purchased. We are also not able to offer duplicates or refunds on unwanted or lost tickets.

The events will continue regardless of weather conditions except in extreme circumstances - in other words if the weather is simply not very nice the event will still go ahead. However, if we have to cancel an event if it is unsafe to proceed (e.g. extreme weather) visitors will be offered an alternative date/time if possible. No refunds will be offered simply if the weather is inclement.

For safety and security reasons, your belongings may be searched. Please bring only what is essential to your trip with us. If you see anything suspicious or any persons acting suspiciously, please tell the nearest member of staff immediately. Please do not leave any belongings unattended at any time.
